STELLA MARIS
TARRAGONA

If you can't visit us, we'll visit you. Monday to Friday, in the mornings, we visit crews that have recently arrived to port in their ship.

Very practical: We can exchange small amount of dollars into euros. You may fancy to pick up a novel for your long travels abroad. There's a small library with books for you to borrow in our centre.

All our volunteers will wear their Stella Maris uniform and be duly identified.

If you need comfort for your spirit or any **religious catholic service**, our Chaplain would be really happy to help you. You should ask for it in advance.

Holy Mass on board can be arranged by request.

Stella Maris is a member of Port of Tarragona's Welfare Committee (approved on the 25th of June 2024).
